Hi Amy,

I see that Ashley is out of the office. Are you familiar with the request below or should I wait until Ashley is back in the office?

Thx,
Wendy

Hi Ashley,

Sorry to nag, but any word on whether Redacted qualifies for school credit? Anything that I can do to move the process along?

Thx,
Wendy

Hi Wendy,

I've been able to reach people at the school who have verified she is a student but I haven't been able to reach the person who signed the letter yet. Once I can speak with her I will give you the notice.

Hi Ashley,

Did you have a chance to verify the authenticity of this school letter? And if so, can you pls confirm absolutely that the letter is acceptable? Cosmo will only hire interns that can receive school credit.

Once you do, I will forward your email to Cosmo so that there is no misunderstanding.

Thank you,
Wendy

The letter looks sufficient from my perspective and as long as the school can confirm the information in it, she would be receiving academic credit and able to intern with us. Are you still looking to find her an internship? If so I can reach out and see who has space open.

Oh my. Never occurred to me! She sounds like the nicest girl. Jack has been putting a lot of pressure on me to find her an internship at one of the magazines and none have any money in their budgets, so they must receive school credit.

Thank you for following up!

Hi Ashley,

We haven't met but I understand you are now the HR contact for Hearst interns.

Attached is a school letter form a potential summer intern, [Redacted] Is it acceptable?

[Redacted] came to my attention via Jack Rohan and Michael Jackson, EVP and CFO of iCrossing.

Thank you,
Wendy
